“ I first met Barb's sister, Jeanne, at college in 1966 and over the years grew to love all of the Blackburn girls, Barb, Carol and Jeanne. They are all my other sisters. I am so grateful for Barb's friendship; we talked often, laughed a lot, and shared many common interests. I will miss discussing our DIY projects and will continue to be inspired by her to paint, upcycle and generally get my hands messy. After moving to CO a few years ago, I was able to see her when she visited Carol and Tom, an opportunity that I will miss. I take comfort in knowing that she is with Dan and Daniel now.

“ *Although the miles have kept us apart Barb was always a joy to talk with and get family updates. Tyler and I enjoyed visiting with her and the boys a few years ago. Who knew cheddar cheese goes with Apple Pie???? She passed on some good knowledge. Peace be with all of you.*

“ I called Barb my Barbie Doll because she was such a doll. I had the honor of working on communion preparation and the Deacons with her. No matter what anyone needed Barb was always ready to make a dish and lend a hand. One of the first times I really talked to her we had just joined the church and she and Dan were cleaning up communion from the first service. She made my day!!! She was so warm and kind and welcoming. I will never forget that. I have tried to copy her kindness when I have welcomed new people to Heritage. Barb will be missed and never forgotten. Thank you for sharing her with us.

“ She was the best sister! I loved her annual visits to North Carolina to spend October with us. We went to concerts and plays, the Azalea Festival, and a variety of church events. Everyone at church loved her and looked forward to her visits. She even came to love our cat, Felix, and always bought him a Christmas present. We always went to the Autumn with Topsail craft fair on the island and found many a Christmas present there. One year we had English Tea, another we traveled down the Cape Fear River exploring the coast. This year we made acrylic pictures. She was so proud of hers. I will miss her every day!

“ *My most heartfelt sympathy and condolences To the entire Family on your loss ! My thoughts and prayers are with you all !*

*My favorite memory of Aunt Barb and most recent was the 10 night southern Caribbean cruise we went on to celebrate her and Dads 80th Birthday! We were fortunate to have the suite next to Barb, mom & Dad and have such great memories of our evenings on the shared balcony ! Megan And I decorated their cabin door with tons of tropical fish and she just loved that ! Having dinner every night and sharing laughs of all our adventures are memories I'll carry with me forever ! Just hearing the Blackburn sisters laugh together was contagious! Aunt Barb..you are and always will be truly loved and missed !*

“ *Our deepest sympathy to Randy, Tricia, Bill, Billy, Ben and Nathan. We all loved her and she was my soulmate, my very best friend ever since we we're children growing up. So happy we celebrated her 80th birthday on a 10 day Caribbean cruise with family- just a happy time. We enjoyed so many memories through many, many trips we all went on together for a lot of years. She will remain always in our hearts.*
