“ I have very fond memories of Ben. When I was very young he work the farm with my parents. I really believe that they treated him like a son. He brought me a beautiful dress home from Germany when he was in the service (I was probably 5 or 6). Always a wonderful man.

When I was a young child, Ben worked on our family farm. There was no one like him! He always had time for us kids. He was a hard worker, helping my Dad, spending long hours in the fields. We loved him like family. Elaine Skokut Patterson
