

Betty A. Owen

April 25, 1938 - July 23, 2018

Betty Ann Owen (Volland) passed from this life on Monday, July 23, 2018 and was no doubt welcomed joyfully by Jesus Christ her savior. She was, to all who had the pleasure of knowing her, the most devoted soul to grace their lives. She was a young widow to the late Neil Owen, who passed in 1967. She was a loving mother to her only child Beth Ann Owen Delahunty who also left us far too soon when she passed of cancer in 2007. Betty assumed the role as head of household when her father and husband passed and cared for her mother and daughter with strength and devotion. She was often know to "adopt" people and pets, who otherwise might have lived lonely lives and she truly made them part of her family. She laughed easily and made those around her laugh along with her. She was a strong, gentle, humble, trusting soul and the world will not be a better place for having lost her, but those she called family and friends will be forever touched by her courage and her grace. She was a true example of Christ's love. Betty is survived by her brother and devoted caretaker Willis Volland, by her grandson Zachary Owen, his wife Whitney and their children Jak, Noah and Theodore. Also, by her sister in law Katherine Volland and her nephews David (Susan), Donald (Deborah) and Craig (Lorie) Volland, her son in law Michael Delahunty and many great nieces and nephews who referred to her as "Great Aunt Betty". Betty was also a life long member of St. Matthews Lutheran Church.

Friends will be received Thursday 2 - 8 PM at Simons Funeral Home, Inc., 7720 Perry Highway, where a Funeral services will be held on Friday 10:00

“ *My sweet Betty will be missed by all whose lives touched hers. What a dear sweet friend for 9yrs. Miss you lots and think of you daily. So many things big and small bring memories of our friendship. Will be seeing you in heaven but even now can picture you with family and friends and pets around you. You are free again to eat the way you loved to and do the things that disease kept you from doing and eating*

“ *Throughout our 32years of frendship Betty has taught me alot! She has brought me back to know God. Although I'm Catholic and we do have some differences of oppinions Betty...you have gone straight to heaven and are with our Lord, family and friends! You are the most pure person I have ever met (thank you God). I on the other hand will have to spend some time in pergatory! Yes Betty there is a pergatory, the nuns taught me that in school so it has to be right. We have alot of great memories. I will miss you dearly! I love you dear friend may you rest in peace!*

“ Betty had the ability to make you laugh and she could quit laughing on a dime, however, I could not and we constantly got in trouble for it. I will always remember the numerous times she and I were separated during practices by Carl Schmidt, director of the Pittsburgh Lutheran Chorus, in the Alto section to stop our shenanigans. I will miss you Betty, we had many happy times together in chorus, Concordia Cabot, and bowling. See you when we meet again in heaven (hopefully we won't get separated there for misbehaving!)
