“ *Very sad news...*

"Colin was a good man." This was my immediate thought and the recurring reaction from everyone I spoke with about Colin. He was also a reliable friend and a great colleague. He will be remembered for his competency, his good humor, and his compassion.

I wish his family and friends peace as you go forward. He set a great example for everyone and he will be missed by all who knew him.

“ My sincere condolences to your entire family, Colin worked for me at Cisco from 2014-2017, I really enjoyed having him on my team professionally and personally, he was one of those people that people always like, even in difficult situations in business, the other side would be upset but it was hard to get mad at Colin as everyone understood he was truly just a good guy, always friendly and there to help, worked hard and was fun to hang out with. It's a great loss for all and our prayers go out to you and your family. Tim Attwood.

I worked with Colin for 3+ years in Cisco and have enjoyed this wholeheartedly. Colin was a great business professional but an even greater guy on a personal level. It was heartbreaking so see him fight this very unfair battle. My condolences to Colin's family and friend

“ My deepest condolences to your entire family. We all grew up on Longvue Drive together. So many fun times in that neighborhood and fond memories of Colin. He was very kind and compassionate even as a teenager. Prayers to your family as you grieve the passing of Colin. Regards, Barb Poerschke Hoellerman

“ I am so struggling with this news. Colin was just an incredible person - he lit up the room when he walked in. A great manager and even a better friend. He will be missed by many.

“ I used to work with Colin at Legent at least 25 years ago. Colin was one of the nicest people I have ever met. He also kept us all healthy. One of my fondest memories was a group of us were running on the North Side and Colin challenged us to run up one of the steepest streets in Pittsburgh. (See photo). Needless to say Colin was the only one to make it to the top. I think he had lunch while he waited for us to catch up with him. He will be sorely missed. My thoughts go out to your family. Focus on the good times.
