“ *Dorothy, her name.. God's gift! How true it is. A wonderful person, friend and neighbor for many years, who loved all. She always made me laugh and shared great stories. She loved to have a good time and welcomed many of us neighbors and our kids for football games, Christmas gatherings and just to get together. She was a 2nd mom to me and so loving. I will miss her something terribly and will hold a special place in my heart for her with all the good times we shared together. God bless!*
