“ Betty,

It's only been 5 days that you have left our world and you are greatly missed. You were my mother's dear friend and you became mine too. Thank you for always being there. You had many angels looking over you. Peggy and Lucky were two and I know there were more. I will cherish our memories.

“ Luckily I have had chance to meet and be friend with Betty last 3 years of her life. I am so happy to know such person with full of love of everything! We all loved her dearly, my husband, son and I.

I stopped by one day after work to see Betty, since I saw her garage door open as always. She was listening Willie Nelson very loudly! I apologized for interrupting because she was really enjoying. She loved life and was very thankful for it. I realized her positive energy was contagious!

I am sure she is in Heaven watching over all of us smiling!

All family members please except our condolences!
