“Beth Witmer was a great neighbor, friend, daughter, mother, grandmother, a fabulous gardener, a wonderful cook, a lover of animals, a giving and caring person, always willing to lend a hand and loved with her whole heart!

I was a neighbor and friend of Beth's for about 25 years. And she was more than a just a great neighbor she was a great friend. When I had to move to another state I was heartbroken to leave my family, friends, neighbors, my home town. But Beth was there supporting me and encouraging me with my adjustment through her texts and emojis. She loved using emojis!

Beth was a wonderful mother and mother in law! Beth loved and supported John/Meggan and Julie/Charley with her whole heart! And she absolutely adored her "Grandbabies!" - Lucy and Anderson. Beth's face would radiate joy and her whole being would light up knowing she was going to see her grandbabies and family! She truly had a great love for her family and in return she received love from them.

Beth was a selfless person, loved from her heart, and had a heart of service. She looked out for many of her neighbors and took great care of Peggy and Owen. She loved them and they loved her. Beth was like a daughter to them. She would take them to the hospital, make them meals, visit every day, and shower them with TLC. That's another great gift Beth had - giving people TLC.

Beth was there for me and my family too. My youngest daughter, Rose, took an attachment to Beth. She loved Beth with her whole heart. Plus Rose has a great love for dogs. So you can see why they got along so well. When Beth got Rubin all the neighborhood kids would come around and play with this adorable furry little puppy. And Beth would let Rose come and visit every day after school to play with Rubin. She would talk to Beth about school, friends, dance lessons. They developed a special relationship. Rose loved spending time with Beth! Beth showered my daughter with

TLC. And I hope Beth loved the times when Rose would stop over, play with Rubin and talk. I am so grateful my daughter developed a friendship with Beth. She is a very special person to both of us!

I am Honored to have had Beth as my neighbor and friend. May I live my life giving to others, showering people with TLC, being a good neighbor, and opening up my door to every person, dog, cat and stray animal in need.
