“ *My deepest condolences to the family for this tremendous loss. May the words found at Isaiah 26:19 bring you comfort in knowing that you will one day see Frank again.*

Isaiah 26:19 "Your dead will live. My corpses will rise up. Awake and shout joyfully, You residents in the dust! For your dew is as the dew of the morning, And the earth will let those powerless in death come to life"

“ Frank and his extended families were an institute on our Former North Side community.

They hired the locals, buried the locals and gave to the community, churches and organizations. Frank proudly served as President of Perry Hilltop Citizens Council.

Frank helped with the areas first food co op through their Riverview Church, “red lining” in housing discrimination, and so many projects and friends. Frank and his wife helped start the first area’s therapeutic day program with their well cared for and loved son, Doug through Mercy Behavior Program with my sister, Georgian Sprys- Lucas.

Frank also signed my summer pay checks through Perry Hilltop CC that enabled me to obtain three college degrees from the University of Pittsburgh.

Even when Frank was in chemo at Passavant Hospital, we talked for 2 hours nonstop about our neighborhoods and families. Laughing with NS stories during his I.V. Treatments.

Frank never lost his sense of humor. Frank lives on through his dedication to his family, friends, community, and our memories forever.
