Tribute Wall

JB

“ I remember Fred from my days as a part of the over 55 years of age roundtable at the Baierl YMCA on Nicholson Road. I remember Fred as a straightforward, honest, no punches withheld type of guy. He was quick to call a SOB a SOB, no apologies. Fred more than anyone else I have known in my life helped me to understand many things anthropology professors attempted to teach me in undergraduate and graduate school! He will be missed!
