“ *I have fond and loving memories of aunt Hannah. She was always there for my mother and I always remembered that. She will be missed but never forgotten. I am comforted in knowing she is with my grandma (her sister).* 🙏🙏🙏🙏

I remember playing in the rain or maybe it was adprink a sprinkler and every family reunion Aunt Hannah would ask if i remembered. She will be missed and always remembered by me and my family.*

“ Aunt Hannah always found ways to let us know we were not forgotten after our parents died. She was there with hugs, sometimes gifts and always her infectious laughter. We are all blessed to have known her. Love, peace, comfort and prayers to the family.
