“ I am so sorry to hear about this. Bob was awesome both to customers and co-workers. He could talk Technical to those who wanted it and tone it down to those who wanted just to know how to make it work. I was in my car listening to " The Fan" Radio Show and Bob calls in to comment on that nights Pirates game. He had good insight and they appreciated the call. He wore a good Playoff Beard too. Bob, God Bless your soul in Heaven.

“ I first met Bob at Best Buy. He was a great person and a great mentor and most of all a great friend whom I'll miss dearly. I can still recall a day when Bob came up to me and wish me Happy Diwali which shocked me and led to a great friendship till the end of my career at Best Buy. My condolences to Bob's family, he will be missed greatly, may his soul rest in peace. God bless Bob and his soul and his family.

“ While Bob and I shared many experiences together, working together in India was indeed unique. USIT was a shared endeavor, a true "thrill of victory - agony of defeat" project. Bob introduced me to ACSA (American Community Support Association) at the embassy and I tried to carry on the fine tradition when he left. Bob will be sorely missed by many. My sincerest condolences to Renu and his family.

“ The Brotherhood of Sigma Delta Nu (The Delphics) Alumni are united in sending our most sincere condolences to the family and friends of Bob McAfee. For 50 years, we have been honored to call Bob our brother. A brother by blood is indeed precious. A brother by choice is a continuous demonstration of brotherhood.

Our group has made a donation to the Freedom Firm to honor Bob's memory. Our next reunion will be our opportunity to toast Bob's life. Thank you for sharing Bob with us.

Charlie Ferrell, Secretary, Delphic Alumni Association.
