“ My condolences to the mother (and family) of a great mechanic. No greater joy comes into this world than that little bundle of love that grows to bring you years of unconditional love. So in such times, my mere words cannot take away the pain you are feeling from such a great loss but I hope that amidst your tears you will find comfort in the memories you've shared with your beloved son, Jim. My prayers are with you for a better tomorrow. Isaiah 26:19
