“ We were very saddened to learn of John's passing during the broadcast of last night's Pens game. There are no words to adequately express our sorrow. We were reminded of a quote we love: "Life is not measured by the number of breaths we take, but rather the moments that take our breath away." And we are certain that John provided his wife, Kay and his family with many of those special moments.....cherish them as they will ease your pain. God bless....he will be greatly missed!
