“ I am glad I got to know Jack if only for a short time. I'll remember his smile and him singing with the group at Elmcroft. I'll especially remember how much he and his family like hitting balloons back and forth. If I have such good memories of Jack in the short time I knew him I'm sure his family must have a million. He will not be truly gone if we all remember him in our hearts.

*Much sympathy*

*Diann (the other Jack from Elmcroft daughter)*
