“ *Trent and mr. O. First off I'm sending so much love to the both of you, I can't imagine the hole that was created by her a sense. She was beyond an amazing woman and there was nothing I didn't feel comfortable sharing with her. I can't even find it in my tears to think of everything that made us laugh that your mom would do or say. All I know is that being in the presence of your family kept a constant smile on my face. Your mom is free from all her pain she was smiling behind. She loves you so much. And I would love for you to text me or call me so I can talk to you about this in a different way. But I love you N your dad and your in our families thoughts and prayers<3 I love you T*

“ I am shocked and saddened to hear of Judy's passing. I worked with her at Ingomar Middle School and will remember her as being one of the funniest women I've know. Judy was great with the kids at the school and a caring professional with her special needs students. She will be missed.
