“ I was very saddened to see Judy's obituary. It stirred up so many memories of Tony's Candlelight Lounge and all the people who frequented the place. My heartfelt condolences to the entire family. And I mean that. We spent a lot of good times together in there. I'll remember them fondly forever.

“ Oh how I will miss you my friend! All those times we spent by your garden or the mailbox comparing gardening tips, chatting about our families, all those words of wisdom you shared with me. Words can not impart how important, touching those moments were to me and how I looked forward to sharing those times. Loved sharing my Lilacs with you and your tomatoes with me, though we both knew it was so much more. So many wonderful memories. As I sit here with tears in my eyes, I know we will meet again someday and I know you will be a big beautiful garden awaiting!

“ I have many memories of Judy and Tony-- and the kids!! I worked at Tony's as a server. Judy was a great friend-- always making sure the cooks had fresh vegies to work with late afternoon deliveries. My name was Lynn Newberry - I worked there with Robin Schulthies. Judy was a great mom - trying to manage her kids at home while working at the restaurant!! That was such a fun time in my life!! The kids were all in high school then-- except little "Joey". I could go on and on- but I feel blessed to have had Judy in my life at that time! Fly with the angels Judy!!

“ As I sit here with tears streaming down my face, I can't even begin to describe what this wonderful woman and her entire family mean to me. A large part of my life was spent with them in Oil City. They were truly my second family. We spent many times sitting around the kitchen on West Third Street getting advice from J about life in general while she was cooking her wonderful spaghetti sauce. The great times at Tony's Lounge are too numerous to mention. So many memories fill my heart and I will cherish them always.  
Love to you all!
