“ *As I said in my phone message, one cannot truly describe his sadness over your loss. He can only feel the true depth of his grief as he joins Jesus in uniting his immense sorrow to yours in deepest love.*

My morning offering always includes all family members. In addition, at every daily and Sunday mass I remember with great gratitude all who in one way or another have helped me become a better person. I certainly include Katy among this precious group.

One way we can remember Katy is to be grateful to our loving creator for our lives, and live them to the fullest by sharing his love with all who touch them.

Saint John Neumann pray for us.

*My deepest love to all of you,
(Uncle) John*

Our hearts are saddened at the loss of our Katy. Memories through the years.....smiling, welcoming, personable, confident...you lit up the room. Another sweet angel in our family watching over us. You are a princess in the eyes of our Lord. You are missed and loved.

“ I'm sending "my love" to all of you as you struggle with the loss of your precious child, your little siister, your fun loving sister-in-law and your caring aunt. Katy was a "beautiful" person and her memory will live on in each one of you. She always brought laughter and a smile when she entered a room and with her smile she brought love. Know that she will always be by your side and in your heart. We love you Katy!!

“ My memory of Katy took place 19 years ago at her cousin Steve's stag. Katy's cousin Jim had his very old truck there and he let Katy drive it she was driving all around the picnic grounds and having the time of her life she was smiling from ear to ear. That is the way I want to remember Katy with not a care in the world and "especially" enjoying life. Katy we will miss you dearly but we also know that you are up in heaven with Grandma and your cousin Gary. "May You Rest in Peace Sweet Katy"

Love,

Uncle Jim & Aunt Kathy
