“ *I remember Kris as a friendly and polite middle schooler who spent many an hour at our (Gretchen's) house in the neighborhood. They had quite the special little gang. If he was in this group, trust me, he was a whole lot of fun! And then there was their band!! I'd give anything to see a video of the talent show where they performed. I attended the show, and of course, they were the best ever. And to think that Kris went on to get a degree in music! This is a life cut way too short, but I pray he is at peace.
My condolences, Leigh Ann Ojard, aka Gretchen's Mom.*

“ I've known Kris for almost as long as I've been with Jeff. He have us so many good memories. We always had fun when he was around whether we were playing poker, working on my mom's basement, camping, or he and Jeff were working on vehicles. He always found a way to make us laugh. We'll miss you Mr. Hampton. I can't believe you are gone. 😞
