“ *Leslie was a dear friend and colleague. She was dedicated to Angels' Place and served the organization well for over a decade. Always willing to lend a helping hand, she supported staff and families. We will all miss her deeply and mourn the loss of her daily presence.*

Among her many great qualities, I most appreciated Leslie's sense of humor and loyalty. She could always make us laugh with her witty comments and banter combined with a unique view of the world. I always knew that she was there for me personally offering a compassionate listening ear. The world will not be the same. Sending thoughts and prayers to her children and family. With sincere sympathy Beth
