“ *I'm a volunteer at Sunrise Assisted Living. Lester was my favorite resident. He could always make me laugh and I loved talking with him. He cracked me up sometimes. You never knew what he was going to say. When school was out I would bring my daughter along and he always joked with her. She thought he was hilarious. When we found out he was leaving she even asked me if we could still visit him. We've both really missed him there the past month. Our condolences to his family
