“ *My husband and I so enjoyed seeing Lois when she came to family functions at our son and daughter-in-laws house that was right across the street.
We were fortunate to have visited with her when she moved to Vincention Place.
We need more people like Lois in our world*

“ *Rob, Chris and Carolyn,
Our deepest sympathy on the passing of Aunt Lois. Bucky and I always enjoyed her company at any family gathering. Her sense of humor and laughter appealed to me greatly. She will be missed.*

“ *Lois and Harry were the first neighbors to welcome us on the street. Lois became my adopted grandmother in Pittsburgh. My kids had their first swim lessons in her pool. Lois had a very dear place in my heart. I am grateful she is at peace and back with Harry. I will miss my visits with her and seeing her light up when we came to visit with her.*
