“ Bob, You may not remember me, but I remember both your parents very well. They were dear people and were so kind to my husband (Cal) and me. We were in a small group together for a time. My sincere sympathy go to you and your family. My prayers join those of, I am sure, your many friends at MPC. Pat Douglas (Bob Gillen's mother)

“ To the Dear Family of Mary Thacker,
I was just checking on my mother's own obituary here on Simons' website and I was sadden to see Mary's name. Let me tell you about Mrs. Thacker's relationship with my family. She and Mr. Thacker called on my home in 1990 to tell us about Memorial Park Church. We joined the church! Our family thrived there. Our three children were baptized there, attended Sunday school, Pre School and Summer Camp. When I was shopping for a senior residential home for my mother in 2017, Grace Manor used Mary's room as a visual model. She happened to be in her room and I had the opportunity to speak to her and thank her for her early visit to my home all those years ago. I placed my mother, Ramona Manning, in Grace Manor, and I enjoyed seeing your mother there when I would visit. I am sure our mothers are having a wonderful time with our Lord. Heaven is colorful this week!
