“ Thinking of the Shoup family during this difficult time. Rex was blessed to have great parents, brothers, and then a family of his own. David, Steven, and Meghan were his greatest accomplishments.

“ Megan and family,
I am so saddened by your loss. I pray that you find comfort in God's embrace as you remember the good times. No doubt your dad lives on in you and yours.

“ We are so glad we got to spend the day with Rex at the Pirate game this summer. He was so generous to invite us and we had a great time. Rex had a loving heart, and when he came up always wanted to take us out to eat! We will miss him, but we know Jesus welcomed him home and Uncle Roy and Aunt Lois are sharing the glory of heaven with him right now!!! Love Tom and Diane
