“ *Robby was a bright light dimmed way before his time. Though his body finally succumbed his heart and soul knew no bounds and his laughter will be forever heard in my memory. I am forever grateful for his love and friendship because helped me be a better version of myself. Rob loved music and sports and his friends but most of all he loved his family! God bye my friend, you raised me up!*

From one of our many wonderful trips with lifetime friends. We not only shared vacations but also our children, families, friends, grandkids, casinos, collies, the good times and not so good times—everything. We will miss you more than we could ever say or write. Your love, support, courage, kindness, unrelenting hope and laughter will inspire us to go on. We will always love you and be grateful for you being such a special part of our lives.

“ *I'm so sorry for your loss Josh and family. I had hoped to get back there and see Rob next summer. So many memories. He was the first person that I ever actually watched play the drums, and he was good! He was never afraid to act like a kid and his Oklahoma nieces and nephew loved him dearly. I'm sorry so many years have passed without talking to him. ❤️*

My thoughts and prayers go out to Rob's family. I had the privilege of being his close friend for over 30 years. We battled each other on the tennis court and golf course for a long time. Rob was like a brother to me and I will never forget how much he meant to me and my family. Rest in peace Rob. You were my best friend!!! Love you buddy
