“ *Sincere Thank You to all of our Mothers friends who have called us. Hearing how our mother spoke so highly of her family and listening to the stories she shared about us has helped us to see how deeply mom loved all of us.*

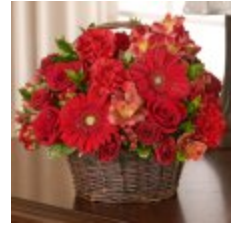

We will dearly miss our mother and eventually our broken hearts will heal with time and her guidance from above. We know our mother is no longer in pain and is safely home in heaven, back in the arms of Jesus Christ and with our dad whom she loved and missed so much.

*Sincerely,
Suzy, Linda and Eddie*
