“ Continued prayers for Steve's family. He always told me family comes first. He helped me through some tough decisions during the care of my mom with Alzheimer's. He helped me think through alot of the decision making. It was the best advice I could have ever been given.

“ So sad - too young.

Steve will be truly missed. We've worked together for years at Office Depot. He became a friend. Always grumpy about work albeit with a grin. Loved and enjoyed his son and was looking forward to being a new dad again. I'll miss his sarcasm and knowledge.

Godspeed until we meet again.

Blessings to your family, may your memories carry you through your grief.
