“ This woman took me into her home after knowing her for just days as part of her family for Easter dinner. I was in a new place in my life with no family or long time friends and she embraced me as her own. I will never forget her kindness or gentle spirit. Rest In Peace dear Ginny. I will hold a place for you in my heart forever.

*Ginny was a great woman, great friend and a great model for us all. She greeted everyone with her beautiful smile. She helped us, commiserated with us, shared our joys (and our pictures) and she consoled us when we needed it.*

*She was not just the Face of CCAC she was the Heart of CCAC.*

*If and when I make it to the Gates of Heaven I can't wait to hear Ginny call out "Come on in Sweetie."*

“ *Dear Fallon Family,*

*My sincere condolences go out to you at this difficult time. I have known Ginny for 32 years and I have never met anyone as special as her. There are rare people in your life that when you think of them at any time, you smile - she was one of them. She was truly a gem! I remember how I would delight her by surprising her with a basket of my garden veggies. I just loved when I would go over to her desk and catch up with chatting and checking in with her. A bright light has gone out at CCAC but her memory will forever shine in our hearts!*

“ *Ginny Fallon. How can you describe the sunshine? She was a beautiful soul that we have been truly honored to know. For years when I worked at CCAC, her face was the first I would see walking into that building on Allegheny Avenue. Always with a smile. We had so many wonderful talks and laughs together. She was a great listener and a wonderful friend. Tears came to my eyes yesterday as I heard she had passed away, but I realized they were not from sadness....they were the kind of tears you have when someone wonderful touches your life and you realize the inspiration they were and what they meant to so many people. She was the one who held my hand when my Mom had a brain hemorrhage and listened so careful to what I was going thru...so kind and loving... asking me each day how everything was going. After my CCAC years, we remained good friends and though we only saw each other every now and then, she always remained in my thoughts and prayers. And now that she is now in Heaven, that will remain. I hope she can feel the amount of love pouring out for her this week and I hope it embraces her soul with warmth and happiness. She deserves nothing less.*
